**Through the streets of Milan**

- [ **OIKOS&LAMINAM**, Via Molino delle Armi: Oikos armoured doors, in partnership with Laminam Spa, focused on cor-ten effect porcelain wall tiles.
- [ **FLORIM SOLUTIONS**: at its Flagship Store in Via Fatebenefratelli 9, Florim, which was also involved in the Brera Design District circuit, pre-

- sented the installation "Florim Solutions", designed by Nicola Gallizia Design.
- [ **BESIDE** "Unexpected tiles": at the Refin Studio at Foro Bonaparte 68, Massimiliano Adamo presented a project for DesignTaleStudio, a creative workshop of Ceramiche Refin, by developing an unprecedented creative interpretation of ceramic mosaic.
- [ **GRANITIFIANDRE**: at the Politecnico, in the Aula F.lli Cas-

- tiglioni in Via G. Durando 10, Granitifiandre sponsored the workshop of architect Mario Cucinella entitled "Dialogo sulla sostenibilità e architettura italiana contemporanea".
- [ **GAMMA DUE**: "DaCosaNasceCosa" at Spazio 31 in Via Solferino, a sequence of three rooms that tell the story of every aspect of ceramic: shape, colour and surface finish.
- [ **MARGARITELLI-OIKOS-LAGO**:

"Appartamento Lago", Brera 30. Formula for a habitat: Lago in the conception, finish and interior design, but Oikos on the threshold, with a Synua armoured door in a white lacquered version. Listone Giordano by Margaritelli, involved for the second year running in the Lago project, produced a flooring solution specifically for the occasion.
